

CRBPAS Volunteer Commitment

It takes an army to make our well oiled parents association work. In order to lighten the load, our organization requires a minimum of ten (10) volunteer hours per season, per family. Additionally, six (6) of these hours must be completed during our February/March fundraising competitions. To ensure that all families participate, a monetary deposit is required. Please know that your time is very valuable to CRBPAS. We would much rather have your presence than your money!

Procedure:

- Families will issue a deposit check of \$100 at membership night. This deposit demonstrates a family's commitment to contributing their valuable time to their child and our association.
- Checks must be made payable to CRBPAS and post dated for April 15, 2023.
- Checks will be placed in a sealed envelope which each member will self address.
- All checks will be given to the treasurer to hold. The deposit checks will be held (not cashed) by CRBPAS pending fulfillment of hours.
- All minimum required hours must be fulfilled by April 15, 2023.
 - hours given in excess of the minimum requirement cannot be carried over to the next season. Nor can the extra hours be "gifted" to another family experiencing an hours deficit.
- When all required volunteer hours have been fulfilled, checks will be returned in person at the March and April CRBPAS meetings. If you are unable to attend, the check will be mailed to you after April 15, 2023.
- Families who meet the volunteer commitment may also consider donating their \$100 back to the organization.
- Families who do not meet the required 10 volunteer hours in full will forfeit the volunteer deposit and their check will be cashed. No partial refunds will be made. You will receive written notification from CRBPAS before your check is cashed.

Responsibilities:

- Each member's parent or guardian is responsible for providing a specific number of volunteer hours during designated events throughout the season. Volunteer hours will be tracked through the Sign Up Genius links. Please be sure to use this site when volunteering!
- There are many ways to help:
 - Chaperone games or competitions
 - Help with equipment on/off the truck and field
 - Help with feeding the students on Fridays or Saturdays
 - Run concessions at concerts
 - Help with fundraising events
 - Join a committee or become a member of the Eboard
- ALL families must volunteer a minimum of 6* of their 10 hours during our main fundraising events in February and/or March: SpinOut at the Rock and WGI Regionals.
 - *If only one event is hosted, this minimum will drop to 4 hours.
- Remember that hours are per family. Those with multiple students in the band will only need a total of 10 hours. Likewise, if more than one adult in your family participates, all hours will be counted. Example- Mom and Grandmom work concessions for 3 hours at Spin Out, your family satisfies 6 volunteer hours!

Thank you for helping us help our students and the CR South Band program!

CRBPAS Executive Board

I have read and understand the volunteer commitment policy.
